# NAVLE® ATTEMPT POLICY WAIVER FORM

## **RETAKE POLICY**

The International Council for Veterinary Assessment (ICVA®) administers the North American Veterinary Licensing Examination (NAVLE®), which is required for licensure to practice veterinary medicine in all United States and Canadian licensing/registration authorities.

-1-

Candidates can take the NAVLE up to five (5) times, including incomplete attempts (when a candidate initiates the NAVLE and responds to questions without completing the exam). The NAVLE Retake Policy provides candidates an opportunity to request a waiver from the Board of Directors for approval to take the NAVLE **one (1) additional time**.

If a waiver request is approved, candidates are granted **one (1) final NAVLE attempt, no exceptions**. The waiver approval is valid for one (1) year from the date of the decision. Candidates must reapply to retake the NAVLE within this timeframe; no extensions of this timeline are permitted.

## **POLICY ADHERENCE**

The NAVLE Retake Policy applies to all candidates. The policy adheres to best practices in assessment by limiting the number of attempts a candidate can take on the test, which helps the ICVA reduce test item exposure and maintain the integrity of the exam. Additionally, allowing candidates to retake the test multiple times may result in an inaccurate assessment of their competencies.

#### Retake requests are considered by the ICVA only if you have:

1	taken the NAVLE five (5) times,	
2	not previously been approved for a waiver,	
3	submitted a complete and fully supported NAVLE Attempt Policy Waiver Form to a United States or Canadian licensing/registration authority, that has emailed it to waivers@icva.net,	
4	responded completely and promptly to any requests from the ICVA to clarify, correct, and/or supplement your request.	

# SUBMITTING YOUR COMPLETED NAVLE ATTEMPT POLICY WAIVER FORM AND SUPPORTING DOCUMENTATION

The NAVLE Waiver Request form includes two (2) sections: Section 1: Candidate Information and Section 2: Licensing/Registration Authority Information. ## PROCESSING

NAVLE Waiver Requests are reviewed within 30 days of receipt, and candidates are notified of the final decision in writing. Please keep copies of your submitted documentation, as the NAVLE Waiver Request Form and any supporting documentation will not be returned after receipt by the ICVA.
