• After the installation is complete, the following entries should be listed in the Windows program menu:

The following folder should also appear on your computer desktop:

Running the NAVLE Orientation Materials

To start the software, double-click the NAVLE English Orientation Materials folder on your desktop, then
NBME Test Delivery System

NBME Shortcut

double-click the double

The following window is displayed:

FRED V2 Orientation		
File Help		
NAVLE English Orientation Materials		
Choose Exam		
Tutorial		
Sample Items		
Options		
Enable "Show Answer" Button		
☑ Timed Exam	Run Exam	Close

• The orientation materials consist of two sections: Tutorial and Sample Items.

The Tutorial section illustrates how the computerized test works and provides the opportunity to practice before taking the NAVLE.

The Sample Items section includes 20 sample test questions.

- Two options for viewing the tutorial and sample items are available. The Enable "Show Answer" checkbox allows you to view the correct answer for each sample item in the tutorial and sample test. The Timed Exam checkbox allows you to view the tutorial and sample test under timed conditions that are similar to the live examination.
- To run the Tutorial section, select Tutorial, then click the Run Exam button.
- To run the Sample Items section, select Sample Items, then click the Run Exam button.
- When you are finished viewing the tutorial and sample items, click the Close button to end your practice session.
